CAR CLEAN

Description

MOTOSPRAY CAR CLEAN is a multipurpose automotive cleaner specially formulated to clean any washable surface instantly without rinsing.

Uses

CAR CLEAN is formulated to remove tough ground-in-dirt, grease and road grime from vinyl, rubber, plastic, carpet, chrome and all washable surfaces. *CAR CLEAN* is ideal for dashboards, seats, linings, tyres, steel and alloy wheel rims, plastic wheel trims, bumpers, carpets, floor mats and more.

Application

Spray *CAR CLEAN* on and wipe off immediately using a clean dry rag.
For heavier, more stubborn dirt, allow *CAR CLEAN* to sit on the surface longer before wiping it off.
May also be applied by pouring onto a soft clean cloth and wiping over the dirty surface.

Note

We recommend that this product is used on conjunction with *MOTOSPRAY RESTORE ALL* to clean, protect and beautify your surfaces.

Storage

Store in a cool dry place. Always replace the lid securely after use.
