MAG WHEEL CLEANER

Description

MOTOSPRAY MAG WHEEL CLEANER is specially formulated to clean Mag or alloy wheels.

Uses

Removes brake dust, road grime and oxidation. Able to be used on lacquered and unlacquered wheels.

Note : Do not use on highly polished wheels, plastic centre caps or anodised surfaces. For these use *MOTOSPRAY CAR CLEAN*.

Properties

Cleans and brightens dulled alloy.

Comes with pump spray for easy application.

Colour - green.

Surface Preparation

1. Wash wheels with *MOTOSPRAY CAR WASH* to remove excess road grime, dirt and mud.
2. Remove sensitive surfaces such as plastic centre caps.

Application

1. Spray cleaner over entire wheel, avoiding overspray.
2. Leave 3-4 minutes to penetrate. Use a soft brush to work into thick grime. Rub with a wet sponge to ensure all dirt is loosened.
3. Rinse with plenty of water.
4. Dry with a chamois clothe for a superb finish.

Storage

Store in a cool dry place. Always replace the lid securely after use.

Safety

See material safety data sheet.
